Large Format Specialty Print Media

Glossy Peel and Stick Repositionable Media, 300gsm

This white, self-adhesive terylene fabric has a repositionable, sticky backing which can be removed and repositioned. Ideal for wall graphics and window displays, this media produces superb image quality while also being easy to cut and place.

Canon Sign/Banner/Display Media

Eye-catching signs, bulletins, and announcements are easy to create with Canon large format printers. To suit many applications, our sign and banner media are tear resistant and offer a variety of special features, such as adhesive backing and vinyl coating.

imagePROGRAF media goes through rigorous testing to ensure compatibility with imagePROGRAF printers in order to provide the best image quality.

Applications

- Posters
- POS Signage
- Wall Graphics
- Promotional
