

Large Format Specialty Print Media

Matte Coated Paper, 170gsm

Matte Coated Paper has a high quality, good density, matte coating. It can print in very high resolution and perform well with graphics and signage. This 170gsm paper may be used for heavy-weight applications.

Coated Papers/CAD/GIS

Blue prints, maps, schedules and sketches are ideally rendered with Canon large format printers. These media are ideal for engineers and architects as well as CAD and GIS applications. For everyday use and draft printing, Canon has a wide variety of durable, inexpensive coated paper.

Canon media goes through rigorous testing to ensure compatibility with imagePROGRAF printers in order to provide the best image quality.

Applications

- Monochrome scale drawings
- Gray Scale drawings
- POP/POS Signage
- Posters/Presentations
